I. Introduction

1. The Secretary-General has the honour to place before the General Committee, for its consideration, the following observations and proposals in connection with the report to be made to the General Assembly by the General Committee regarding the organization of the sixtieth regular session and future sessions of the Assembly, the adoption of the agenda and the allocation of items.

2. Over the years, the General Assembly has adopted a number of provisions aimed at rationalizing the procedures and organization of the Assembly. These provisions are reproduced in the annexes to the rules of procedure of the General Assembly (A/520/Rev.15 and Amend.1 and 2, annexes I, II and IV-VIII).

3. The Secretary-General wishes to draw the attention of the General Committee to the following resolutions of the General Assembly, the provisions of which are reflected in the present document under the relevant sections:

(a) Annex I (Guidelines on the Rationalization of the Agenda of the General Assembly) to resolution 48/264 of 29 July 1994, entitled "Revitalization of the work of the General Assembly";

(b) Annex to resolution 51/241 of 31 July 1997, entitled "Strengthening of the United Nations system";

(c) Paragraph 1 of resolution 52/163 of 15 December 1997, entitled "Amendment to rule 103 of the rules of procedure of the General Assembly";

(d) Annex to resolution 55/285 of 7 September 2001, entitled "Revitalization of the General Assembly: improving the efficiency of the General Assembly";

(e) Resolution 56/509 of 8 July 2002, entitled "Amendments to rules 30, 31 and 99 of the rules of procedure of the General Assembly";

(g) Resolution 58/126 of 19 December 2003, entitled "Revitalization of the work of the General Assembly";

(h) Resolution 58/316 of 1 July 2004, entitled "Further measures for the revitalization of the work of the General Assembly".

4. The Secretary-General also wishes to draw the attention of the General Committee to his report on the reform of the United Nations, entitled "Strengthening of the United Nations: an agenda for further change" (A/58/395 and Corr.1) and to his report entitled "In larger freedom: towards development, security and human rights for all" (A/59/2005 and Add.1-3).

II. Organization of the session

A. General Committee

5. The Secretary-General wishes to draw the attention of the General Committee to rule 40 of the rules of procedure and to document A/56/1005 (paras. 9 and 10) pertaining to the functions of the Committee.

6. The Secretary-General also wishes to draw the attention of the General Committee to paragraph 5 of the annex to resolution 58/316 pertaining to the functions of the General Committee. The Committee may wish to recall in particular subparagraphs (d) to (h), according to which the General Committee shall conduct a review of the proposed programme of work for the forthcoming session of the General Assembly; continue to consider the further biennialization, triennialization, clustering and elimination of items of the customary agenda of the General Assembly; continue to schedule informal briefings on topical issues, recommend to the Assembly a programme of, and format for, interactive debates on the items of its agenda; and continue to consider ways and means to further improve its working methods to increase its efficiency and effectiveness in all aspects.

7. The Secretary-General further wishes to recall that, at the outset of each session, each Vice-President of the General Assembly shall designate a liaison person for the duration of the session. This designation may be made by means of a letter to the President (resolution 55/285, annex, para. 20).

B. Rationalization of work

8. The Secretary-General wishes to draw the attention of the General Committee to the following resolutions and report of the Secretary-General in relation to the administrative and financial functioning of the Organization:

(a) Resolution 41/213 of 19 December 1986, entitled "Review of the efficiency of the administrative and financial functioning of the United Nations";

(b) Resolution 48/264 of 29 July 1994, entitled "Revitalization of the work of the General Assembly";

(c) Resolution 52/12 B of 19 December 1997, entitled "Renewing the United Nations: a programme for reform";

(d) Resolution 58/126 of 19 December 2003, entitled "Revitalization of the work of the General Assembly";

(e) Resolution 58/316 of 1 July 2004, entitled "Further measures for the revitalization of the work of the General Assembly";

(f) Report of the Secretary-General on the review of the efficiency of the administrative and financial functioning of the United Nations (A/56/82).

9. The Secretary-General also wishes to draw the attention of the General Committee to paragraph 14 of the annex to resolution 55/285, which reads:

> 14. As regards implementation of paragraph 7 of the annex to resolution 51/241, the President of the General Assembly, after consideration by the Assembly of the report of the Secretary-General on the work of the

Organization, shall inform the Assembly of his assessment of the debate on the report in order for the Assembly to determine the need for further action.

10. The General Committee may wish to bring to the attention of the General Assembly paragraph 3 of the annex to resolution 58/316 pertaining to the practices and working methods of the Main Committees.

11. The General Committee may also wish to bring to the attention of the General Assembly that the Main Committees shall meet in substantive session only after the end of the general debate and that the First Committee and the Special Political and Decolonization Committee (Fourth Committee) shall not meet simultaneously and may consider meeting in a sequential manner during the regular session of the General Assembly. This arrangement shall not apply if it affects their respective identities, programmes of work and effective consideration of their agendas (resolution 51/241, annex, paras. 31 and 36).

C. High-level Plenary Meeting of the sixtieth session of the General Assembly

12. The Secretary-General wishes to draw the attention of the General Committee to paragraph 1 of resolution 58/291 of 6 May 2004, on the follow-up to the outcome of the Millennium Summit and integrated and coordinated implementation of and follow-up to the outcomes of the major United Nations conferences and summits in the economic and social fields, which reads:

> 1. *Decides* to convene in New York in 2005, at the commencement of the sixtieth session of the General Assembly, a high-level plenary meeting of the Assembly with the participation of Heads of State and Government ...

13. The Secretary-General wishes also to draw the attention of the General Committee to paragraphs 3 and 4 of resolution 59/145 of 17 December 2004, in which the General Assembly decided that the High-level Plenary Meeting would be composed of six plenary meetings, on the basis of two meetings a day, and four interactive round-table sessions to be held in concurrence with plenary meetings, and that a separate meeting on Financing for Development would be held within the framework of the High-level Plenary Meeting. The Secretary-General wishes to recall resolution 59/291 of 15 April 2005 on the preparation for and organization of the High-level Plenary Meeting, in which the General Assembly decided that the separate meeting on Financing for Development would be held on Wednesday, 14 September, from 10 a.m. to 1 p.m.

D. Opening and closing dates of the session

14. In accordance with rule 1 of the rules of procedure, as amended by resolution 57/301, the sixtieth regular session of the General Assembly shall begin on Tuesday, 13 September 2005.

15. The General Committee may wish to recommend to the General Assembly that the sixtieth session of the Assembly recess on Tuesday, 13 December 2005 and close on Monday, 11 September 2006 (rule 2 of the rules of procedure and para. 4 of annex V to the rules of procedure).

16. The General Committee may also wish to recommend to the General Assembly that, during the main part of the session, the First Committee complete its work by Tuesday, 1 November, the Sixth Committee by Wednesday, 9 November, the Special Political and Decolonization Committee (Fourth Committee) by Thursday, 10 November, the Third Committee by Wednesday, 23 November, the Second Committee by Tuesday, 6 December and the Fifth Committee by Friday, 9 December 2005.[1]

E. Seating arrangements

17. In accordance with established practice, the Secretary-General has drawn lots for the purpose of choosing the Member State to occupy the first desk on the General Assembly floor from which the alphabetical seating order will begin. The name drawn was Thailand. The other countries will follow in the English alphabetical order and the same order will be observed in the Main Committees.

F. Schedule of meetings

18. The Secretary-General wishes to recall that, in view of financial constraints, meetings at Headquarters are no longer serviced beyond 6 p.m. or on weekends, with the exception of the plenary of the General Assembly and the Security Council. Consequently, meetings of the Main Committees during the sixtieth session, including informal meetings, should start promptly at 10 a.m. and be adjourned by 6 p.m. on weekdays. The Secretary-General wishes to recall that, in accordance with Assembly resolution 59/291, the plenary meetings during the High-level Plenary Meeting will begin at 9 a.m. and end at 7 p.m.

19. The Secretary-General would like to inform the General Committee that, in response to numerous requests from delegations, during the final week of Ramadan, from 31 October to 4 November 2005, when local time will be Eastern Standard Time, the hours of the plenary meetings and the meetings of the Main Committees will be from 9.30 a.m. to 12.30 p.m. and from 2.30 p.m. to 5.30 p.m. at the latest. The Secretary-General wishes to draw the attention of the General Committee to paragraph 1 (b) of the annex to resolution 58/316, which reads:

> (b) With effect from the fifty-ninth session of the General Assembly, the meetings of the plenary Assembly shall normally be held on Mondays and Thursdays.

20. Furthermore, the Secretary-General wishes to draw the attention of the General Committee to the fact that measures introduced to reduce costs relating to overtime will be strictly enforced.

21. The General Committee may wish to recommend to the General Assembly that, in accordance with past practice, it waive the requirement that at least one third of the members of the Assembly in the case of plenary meetings and one quarter of the members of a Main Committee in the case of Main Committee meetings be present in order to declare a meeting open and to permit the debate to proceed. This recommendation would be made on the understanding that such a waiver would not imply any permanent change in the provisions of rules 67 and 108 of the rules of

[1] A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications (see para. 40).

procedure and that the requirement of the presence of a majority of the members for any decision to be taken would be maintained.

G. General debate

22. The General Committee may wish to bring to the attention of the General Assembly that, in accordance with paragraph 6 of resolution 59/145, the general debate at the sixtieth session shall be held from Saturday, 17 September, to Friday, 23 September, and from Monday, 26 September, to Wednesday, 28 September 2005, on the understanding that these arrangements shall in no way create a precedent for the general debate at future sessions. The General Committee may also wish to bring to the attention of the General Assembly that the list of speakers for each day shall be completed and no speakers will be transferred to the next day, notwithstanding the implications for hours of work. Furthermore, there shall be no time limits for the general debate but the General Assembly will indicate a voluntary guideline of up to 15 minutes for each statement.

23. The General Committee may also wish to bring to the attention of the General Assembly that, pursuant to paragraph 7 of the annex to Assembly resolution 58/126, the theme "For a stronger and more effective United Nations: follow-up to and implementation of the High-level Plenary Meeting in September 2005" has been proposed for the general debate at the sixtieth session.

H. Conduct of the meetings, length of statements, explanations of vote, right of reply, points of order and concluding statements

24. The General Committee may wish to draw the attention of the General Assembly to the relevant rules of procedure regarding the conduct of meetings, namely, rules 35, 68, 72, 73, 99 (b), 106, 109, 114 and 115.

25. The General Committee may also wish to draw to the attention of the General Assembly that explanations of vote should be limited to 10 minutes; that, when the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in plenary meeting, unless that delegation's vote in plenary meeting is different from its vote in the Committee; and that delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item (decision 34/401, paras. 6-8 (A/520/Rev.15, annex VI)).

26. The General Committee may wish to recommend to the General Assembly that points of order be limited to five minutes.

27. With a view to streamlining the procedures of the General Assembly and as another cost-saving measure, the General Committee may wish to recommend to the General Assembly that it review the recommendations contained in paragraph 22 of the annex to resolution 51/241 and paragraph 23 of document A/52/855, regarding the length of statements.

28. The General Committee may wish to recommend to the General Assembly that, in order to save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be

dispensed with except for statements by the presiding officers (decision 34/401, para. 17 (A/520/Rev.15, annex VI)).

I. Records of meetings

29. The Secretary-General wishes to recall that, as at past sessions, during the sixtieth session verbatim records will continue to be provided for the plenary meetings of the General Assembly and the meetings of the First Committee, and summary records will be provided to the other Main Committees and the General Committee of the Assembly.

30. Furthermore, the General Committee may wish to draw to the attention of the General Assembly that the practice of reproducing statements in extenso as separate documents has been discontinued for all its subsidiary organs that are entitled to summary records and that any exceptions to this rule may be made by the body concerned only if the statements are to serve as bases for discussion and if, after hearing a statement of the relevant financial implications, the body decides that one or more statements in extenso may be included in the summary record, or reproduced as separate documents or as annexes to authorized documents (resolution 38/32 E, paras. 8 and 9).

31. The General Committee may also wish to recommend to the General Assembly that the practice of not reproducing in extenso statements made in a Main Committee should be maintained for the sixtieth session.

J. Resolutions

32. The General Committee may wish to bring to the attention of the General Assembly that:

- Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted (decision 34/401, para. 32 (A/520/Rev.15, annex VI)).
- Efforts should be made to reduce the number of resolutions adopted by the General Assembly. Resolutions should request reports of the Secretary-General only in cases where that would be indispensable for facilitating the implementation of these resolutions or the continued examination of the question.[2]
- In order to ensure that resolutions have greater political impact, they should be short, in particular as regards the preambular parts, and should focus more on action-oriented operative paragraphs (resolution 57/270 B, para. 69).
- Whenever possible, for the adoption by the General Assembly of agreed texts of resolutions and decisions, informal consultations should be carried out with the widest possible participation of Member States (resolution 45/45, annex, para. 1 (A/520/Rev.15/Amend.1, annex VIII, para. 1)).

[2] *Official Records of the General Assembly, Forty-first Session, Supplement No. 49* (A/41/49), para. 21, recommendation 3 (f).

33. The Secretary-General encourages Member States to transmit all draft resolutions and decisions in electronic form as well as on paper. The Secretary-General also wishes to inform the Member States that the submitters are responsible for ensuring that the electronic and paper versions of the draft resolutions and decisions are identical in content.

K. Documentation

34. The General Committee may wish to draw to the attention of the General Assembly that the Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned (decision 34/401, para. 28 (A/520/Rev.15, annex VI)).

35. The General Committee may also wish to draw the attention of the General Assembly to section III of resolution 57/283 B regarding the timely issuance of documents in the six official languages of the General Assembly.

36. The General Committee may wish to draw the attention of the General Assembly to resolutions 48/264 and 55/285, in which the Assembly emphasized that restraint should be exercised in making requests for new reports and requested more integrated reports, and to resolution 57/270 B, in which it recognized the need to avoid requesting duplicative reports from the Secretary-General.

37. The General Committee may also wish to draw to the attention of the General Assembly that:

- Resolutions should contain requests for observations from States or reports by the Secretary-General insofar as they are likely to facilitate the implementation of the resolutions or the continued examination of the question (resolution 45/45, annex, para. 10 (A/520/Rev.15/Amend.1, annex VIII, para. 10)).
- Member States and entities of the United Nations system should make a serious effort to submit their replies and inputs to requests for information or views pursuant to resolutions of the General Assembly within the prescribed deadlines (resolution 55/285, annex, para. 17).

38. The General Committee may further wish to draw the attention of the General Assembly to paragraph 6 of the annex to resolution 58/316 concerning documentation.

L. Questions relating to the programme budget

39. The General Committee may wish to draw the attention of the General Assembly to rule 153 of the rules of procedure, which reads:

> No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary

Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations.

40. The General Committee may also wish to draw the attention of the General Assembly to paragraphs 12 and 13 of its decision 34/401 (A/520/Rev.15, annex VI), which read:

> 12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work.
>
> 13. Furthermore:
>
> (a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;
>
> (b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, n mely, $25,000 on any one item;
>
> (c) Firm deadlines should be set for the early submission of the reports of subsidiary organs which require consideration by the Fifth Committee;
>
> (d) A minimum period of forty-eight hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications.

41. The General Committee may further wish to draw the attention of the General Assembly to regulation 5.9 of the Regulations and Rules Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (ST/SGB/2000/8; first adopted in resolution 37/234, annex; most recently amended in section III of resolution 53/207), which reads:

> *Regulation 5.9.* No council, commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal.

42. Furthermore, the General Committee may wish to draw the attention of the General Assembly to paragraph 6 of its resolution 35/10 A, which reads:

> 6. *Decides* that all proposals affecting the schedule of conferences and meetings made at sessions of the General Assembly shall be reviewed by the Committee on Conferences when administrative implications are being considered under the requirements of rule 153 of the rules of procedure of the Assembly.

43. The General Committee may also wish to draw the attention of the General Assembly to section VI of its resolution 45/248 B on procedures for administrative and budgetary matters, which states that the Assembly:

1. *Reaffirms* that the Fifth Committee is the appropriate Main Committee of the General Assembly entrusted with responsibilities for administrative and budgetary matters;

2. *Reaffirms also* the role of the Advisory Committee on Administrative and Budgetary Questions;

3. *Expresses its concern* at the tendency of its substantive Committees and other intergovernmental bodies to involve themselves in administrative and budgetary matters;

4. *Invites* the Secretary-General to provide all intergovernmental bodies with the required information regarding procedures for administrative and budgetary matters.

(See also section III below.)

M. Observances and commemorative meetings

44. Considering past practice, the General Committee may wish to recommend to the General Assembly that it adopt a format for commemorative meetings that includes statements by the President of the General Assembly, the Secretary-General, the chairmen of the five regional groups and the representative of the host country.

N. Special conferences

45. The General Committee may wish to draw the attention of the General Assembly to the following:

- The Committee on Conferences recommended that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution 33/55 (recommendation 6 of the Committee on Conferences,[3] adopted by the Assembly in decision 34/405, para. (b)).
- The decision of the General Assembly that no more than five special conferences should take place in a given year and that no more than one special conference should be convened at the same time should be strictly implemented.[4]
- The existing principle that United Nations bodies should meet at their respective established headquarters, as provided for in General Assembly resolution 40/243, should be strictly enforced. Whenever the Assembly accepts an invitation from the Government of a Member State to hold a conference or meeting away from established headquarters, the additional cost should be

borne in full by that Government. The methods of budgeting these costs should be improved so as to ensure that all additional costs are accounted for.[5]

III. Observations on the organization of the work of the General Assembly

46. With regard to rule 153 of the rules of procedure, on the financial implications of resolutions, and paragraph 13 (d) of decision 34/401, which requires a minimum period of forty-eight hours before action is taken on a proposal so as to allow the Secretary-General to prepare the programme budget implications of drafts before the Assembly, the General Committee may wish to bring to the attention of the Assembly the fact that, in most cases, more than forty-eight hours are required for the Secretary-General to review the programme budget implications of proposals before the Assembly.

47. The General Committee may also wish to bring to the attention of the Assembly the fact that, in accordance with rule 78 of the rules of procedure, proposals have to be submitted well in advance of their consideration, in order to ensure that copies have been circulated not later than the day preceding the meeting at which they will be considered.

IV. Adoption of the agenda

48. All proposals for the inclusion of items in the agenda of the sixtieth session have been communicated to Member States in the following documents:

(a) Provisional agenda of the sixtieth regular session (A/60/150);

(b) Supplementary list of items proposed for inclusion in the agenda of the sixtieth session (A/60/200).

49. The items proposed for inclusion are listed in the draft agenda, which appears in paragraph 54 below.

50. In paragraph 2 (a) of the annex to resolution 58/316, the General Assembly decided, inter alia, that the agenda of the General Assembly should be organized under headings corresponding to the priorities of the Organization, as contained in the medium-term plan for the period 2002-2005 (or in the strategic framework, as appropriate), with an additional heading for "Organizational, administrative and other matters", for the purpose of giving a sense of structure to the work of the Assembly. For the period 2006-2007, the priorities are contained in paragraph 8 of resolution 59/278 of 23 December 2004.

51. The Secretary-General wishes to recall the relevant resolutions pertaining to the review of the agenda, namely, annex I to resolution 48/264, the annex to resolution 51/241, the annex to resolution 55/285, and paragraphs 2 and 4 of the annex to resolution 58/316. The Secretary-General also wishes to recall paragraph 60 of resolution 57/270 B, in which the General Assembly stated that the General Committee should ensure better coordination of the agendas of the Second and Third Committees.

[5] Ibid., recommendation 4.

52. Bearing in mind the extremely heavy workload of the General Assembly and the need to make the most effective use of scarce resources, the General Committee may wish to consider deferring to a later session items for which decisions or action are not required at the current session (resolution 51/241, annex, paras. 23-26).

53. The Secretary-General wishes to draw the attention of the General Committee to Assembly decision 49/426, whereby the Assembly decided that the granting of observer status in the General Assembly should in future be confined to States and to those intergovernmental organizations whose activities cover matters of interest to the Assembly (see also para. 57).

54. Subject to the recommendations of the General Committee regarding paragraphs 49 to 53 above, the draft agenda of the sixtieth session would consist of the following items:
